

10 mins

3 - 5 years

Place their hand on the paper.  
Ask them to trace their hand and tell a story  
about the two of you and

Ask them to begin to slowly trace their hand and  
tell a story. Example "Bethany lives in this unit. She  
is walking and walks up the hallway to see  
her friend. Continue the story until you reach the  
end of the hand and the story has finished. Now  
ask them to trace their hand and tell a story about you.

Use the words of learned words  
to complete the end sentences  
Use the words of prepositions ( words placed in front of  
another word) Example - up the stairs, on top of the house,
